Illinois Pattern Civil Jury Instructions

~ Instructions are current through March, 2017*

Here are the instructions as we post them at Forms WorkFlow and make them available through the Forms WorkFlow Toolbar/Ribbon Illinois Jury Instructions Insert; instruction titles as listed below and in the toolbar/ribbon are sometimes abbreviated or abridged from the originals to accommodate filename limitations.

Notes

1. The Illinois Pattern Civil Jury Instructions, or IPI, are drafted by the Illinois Supreme Court Committee on Jury Instructions in Civil Cases. The Committee issues its infrequent revisions one or two instructions at a time, on no set schedule, and without date of last review; most of the instructions do not even have creation or revision dates. The latest edition of the IPI posted by the Committee can be viewed at http://www.state.il.us/court/CircuitCourt/CivilJuryInstructions/default.asp.
2. Most instructions noted below as withdrawn or not recommended do have comments on the reasoning for the decision to withdraw or not to recommend. As with those for active instructions these comments may be viewed via the Directions and Sources tab of the FWF Toolbar/Ribbon Illinois Jury Instructions Insert.
3. While Supreme Court Rule 239(a) prescribes the use of Illinois Pattern Jury Instructions, an instruction is approved or rejected only after it has been judicially questioned and considered. *Powers v. Illinois Central Gulf Railroad Company,* 91 Ill. 2d 375 (1982).

(*The currency date above is the last date an instruction was revised, renamed, added or deleted by the Committee.)
