Instruction
No 1

A person must drive at a reasonable speed. Whether a particular speed is reasonable depends on the circumstances such as traffic, weather, visibility, and road conditions. Drivers must not drive so fast that they create a danger to people or property.

If [name of plaintiff/defendant] has proved that [name of defendant/plaintiff] was not driving at a reasonable speed at the time of the accident, then [name of defendant/plaintiff] was negligent.
