INSTRUCTIONS FOR TRADEMARK OR SERVICE MARK REGISTRATION

Any person or entity that has adopted a mark to distinguish their goods or services from goods or services made or sold by another, may register that mark with the Secretary of State. The mark may be a word, name, symbol, or device, or any combination thereof. A word or slogan may be registered only when it clearly distinguishes products or services from those of another.

The registration of a trademark or service mark with the Secretary of State provides protection of the mark in North Dakota. However, if a mark is registered with the Patent and Trademark Office in Washington, D.C., the federal registration may supersede the protection afforded by state law.

In the event that a mark or name is used that is deemed to be the same as, or deceptively similar, to a trademark or service mark that is already registered, the registrant of such mark may institute a civil suit to enjoin the manufacture, use, display, or sale of any counterfeits or imitations. (See North Dakota Century Code, Section 47-22-12.)

The trademark or service mark submitted for registration may not be the same as, or deceptively similar to, another mark or name registered with the Secretary of State. (See North Dakota Century Code, Section 47-22-02.) The Secretary of State may not file any trademark or service mark submitted for filing if the mark is determined to be the same as, or deceptively similar to, a previously filed name or mark.

The following numbers correspond to the numbered sections on page 1 of this form:

1. The registration fee is \$30 if a trademark or service mark is associated with only one class of goods or services. If associated with more than one class of goods or services, the fee is \$20 for each additional class. (See number 12 to identify the applicable classes). Checks must be payable to "Secretary of State" and must be negotiable U.S. funds. Payment may also be made by credit card using Visa, Master Card, or Discover.
2. Attach **two** identical **facsimiles** of the mark to the application. The facsimiles may be in the form of an actual label or tag, or a photograph. If color of the mark is a distinguishing characteristic, colored facsimiles must be provided.
3. Provide the full names of all the owners. If the owner is a corporation, a limited liability company, a limited partnership, a limited liability partnership, or a limited liability limited partnership registered with the Secretary of State, the owner's name must be identical to that as registered.
4. To properly maintain trademark or service mark records, the social security or federal ID number(s) of the owner(s) is requested.

In compliance with the Federal Privacy Act of 1974, the disclosure of the social security or federal ID number on this form is voluntary. The number is not disclosed to the public. It is used by the Secretary of State to maintain accurate trademark and service mark files. Therefore, while voluntary disclosure is requested, failure to do so will not result in rejection of the registration.

5. The telephone number of the owner is required.
6. Provide the complete mailing address of the owner's principal place of business.

In this section, an address must include either a street or rural address and/or a post office box number if required for mailing purposes, in addition to the city, state, and zip code.

If the owner is a corporation, limited liability company, limited partnership, limited liability partnership, or limited liability limited partnership registered with the Secretary of State, the principal place of business address must correspond to that declared in the separate entity registration with the Secretary of State. When notice is received in the form of an annual report of an owner indicating that the address of the principal place of business is changed in the entity registration, such notice automatically effects a change in the trademark or service mark registration.

7. Provide a toll-free telephone number if the applicant has one.
8. Select the organizational structure that best defines the owner.

If the owner is a corporation, limited liability company, limited partnership, limited liability partnership, or limited liability limited partnership, include the state of origin. Any such entity created according to North Dakota laws must be in existence and on file with the Secretary of State before a mark will be accepted for registration.

A North Dakota general partnership using a fictitious name must have a Partnership Fictitious Name Certificate on file with the Secretary of State before a mark will be accepted for registration.

If the owner of the mark is an organizational structure defined as "other" and not mentioned above, the acceptance of a registration will be assessed on a case-by-case basis.

9. If the owner is a general partnership, provide the names of all partners, their social security or Federal ID numbers, and the complete addresses of their principal places of business. (See number 6 for definition of complete address.) (See number 4 regarding privacy of social security or federal ID number.)
10. Provide a specific and detailed description of the mark. Describe the features of the mark, including color, words, lettering, pictures, design, size, or any other characteristics of the mark. Attaching a facsimile and stating "see attached" cannot be accepted.
11. Identify the services, goods, or products, that will be associated with the mark.

ASSIGNMENT: Any registrant that transfers ownership of a mark to another party must file a Trademark/Service Mark Assignment. The assignment form is available from the Secretary of State's website or contact the Secretary of State's Business Registration Unit for the form.

Upon filing the Trademark/Service Mark Assignment, the Secretary of State issues, in the name of the assignee, a new certificate for the remainder of the ten-year term of the registration, or the last renewal thereof. An assignment does not extend the registration period.

RENEWAL: The trademark or service mark registration lapses after a period of ten years from the date of registration. Ninety days prior to the lapse of the registration, the Secretary of State forwards a Trademark/Service Mark Renewal to the owner at the last recorded address. To ensure delivery of a renewal notice, it is imperative that the owner's principal place of business address be maintained current with the Secretary of State.

CANCELLATION: The Secretary of State shall cancel the trademark or service mark if anyone fails to file the renewal prior to the expiration date. The trademark or service mark is also cancelled when the registrant is a corporation, limited liability company, limited partnership, limited liability partnership, or limited liability limited partnership that has failed to file an assignment and has ceased to exist for a period of six months.
