subject to mandatory membership in a property owners association(s). If the Property is subject to mandatory membership in a property owners association(s), Seller notifies Buyer under §5.012, Texas Property Code, that, as a purchaser of property in the residential community identified in Paragraph 2A in which the Property is located, you are obligated to be a member of the property owners association(s). Restrictive covenants governing the use and occupancy of the Property and all dedicatory instruments governing the establishment, maintenance, or operation of this residential community have been or will be recorded in the Real Property Records of the county in which the Property is located. Copies of the restrictive covenants and dedicatory instruments may be obtained from the county clerk. You are obligated to pay assessments to the property owners association(s). The amount of the assessments is subject to change. Your failure to pay the assessments could result in enforcement of the association's lien on and the foreclosure of the Property.

Section 207.003, Property Code, entitles an owner to receive copies of any document that governs the establishment, maintenance, or operation of a subdivision, including, but not limited to, restrictions, bylaws, rules and regulations, and a resale certificate from a property owners' association. A resale certificate contains information including, but not limited to, statements specifying the amount and frequency of regular assessments and the style and cause number of lawsuits to which the property owners' association is a party, other than lawsuits relating to unpaid ad valorem taxes of an individual member of the association. These documents must be made available to you by the property owners' association or the association's agent on your request.

If Buyer is concerned about these matters, the TREC promulgated Addendum for Property Subject to Mandatory Membership in a Property Owners Association(s) should be used.

(3) STATUTORY TAX DISTRICTS: If the Property is situated in a utility or other statutorily created district providing water, sewer, drainage, or flood control facilities and services, Chapter 49, Texas Water Code, requires Seller to deliver and Buyer to sign the statutory notice relating to the tax rate, bonded indebtedness, or standby fee of the district prior to final execution of this contract.

(4) TIDE WATERS: If the Property abuts the tidally influenced waters of the state, §33.135, Texas Natural Resources Code, requires a notice regarding coastal area property to be included in the contract. An addendum containing the notice promulgated by TREC or

required by the parties must be used.

- (5) ANNEXATION: If the Property is located outside the limits of a municipality, Seller notifies Buyer under §5.011, Texas Property Code, that the Property may now or later be included in the extraterritorial jurisdiction of a municipality and may now or later be subject to annexation by the municipality. Each municipality maintains a map that depicts its boundaries and extraterritorial jurisdiction. To determine if the Property is located within a municipality's extraterritorial jurisdiction or is likely to be located within a municipality's extraterritorial jurisdiction, contact all municipalities located in the general proximity of the Property for further information.
- (6) PROPERTY LOCATED IN A CERTIFICATED SERVICE AREA OF A UTILITY SERVICE PROVIDER: Notice required by §13.257, Water Code: The real property, described in Paragraph 2, that you are about to purchase may be located in a certificated water or sewer service area, which is authorized by law to provide water or sewer service to the properties in the certificated area. If your property is located in a certificated area there may be special costs or charges that you will be required to pay before you can receive water or sewer service. There may be a period required to construct lines or other facilities necessary to provide water or sewer service to your property. You are advised to determine if the property is in a certificated area and contact the utility service provider to determine the cost that you will be required to pay and the period, if any, that is required to provide water or sewer service to your property. The undersigned Buyer hereby acknowledges receipt of the foregoing notice at or before the execution of a binding contract for the purchase of the real property described in Paragraph 2 or at closing of purchase of the real property.
- (7) PUBLIC IMPROVEMENT DISTRICTS: If the Property is in a public improvement district, §5.014, Property Code, requires Seller to notify Buyer as follows: As a purchaser of this parcel of real property you are obligated to pay an assessment to a municipality or county for an improvement project undertaken by a public improvement district under Chapter 372, Local Government Code. The assessment may be due annually or in periodic installments. More information concerning the amount of the assessment and the due dates of that assessment may be obtained from the municipality or county levying the assessment. - 14. CASUALTY LOSS: If any part of the Property is damaged or destroyed by fire or other casualty after the Effective Date of this contract, Seller shall restore the Property to its previous condition as soon as reasonably possible, but in any event by the Closing Date. If Seller fails to do so due to factors beyond Seller's control, Buyer may (a) terminate this contract and the earnest money will be refunded to Buyer (b) extend the time for performance up to 15 days and the Closing Date will be extended as necessary or (c) accept the Property in its damaged condition with an assignment of insurance proceeds, if permitted by Seller's insurance carrier, and receive credit from Seller at closing in the amount of the deductible under the insurance policy. Seller's obligations under this paragraph are independent of any other obligations of Seller under this contract.
- **15. DEFAULT:** If Buyer fails to comply with this contract, Buyer will be in default, and Seller may (a) enforce specific performance, seek such other relief as may be provided by law, or both, or (b) terminate this contract and receive the earnest money as liquidated damages, thereby releasing both parties from this contract. If Seller fails to comply with this contract, Seller will be in default and Buyer may (a) enforce specific performance, seek such other relief as may be provided by law, or both, or (b) terminate this contract and receive the earnest money, thereby releasing both parties from this contract.
- 16. MEDIATION: It is the policy of the State of Texas to encourage resolution of disputes through alternative dispute resolution procedures such as mediation. Any dispute between Seller and Buyer related to this contract which is not resolved through informal discussion will be submitted to a mutually acceptable mediation service or provider. The parties to the mediation shall bear the mediation costs equally. This paragraph does not preclude a party from seeking equitable relief from a court of competent jurisdiction.
- 17. ATTORNEY'S FEES: A Buyer, Seller, Listing Broker, Other Broker, or escrow agent who prevails in any legal proceeding related to this contract is entitled to recover reasonable attorney's fees and all costs of such proceeding.

- A. ESCROW: The escrow agent is not (i) a party to this contract and does not have liability for the performance or nonperformance of any party to this contract, (ii) liable for interest on the earnest money and (iii) liable for the loss of any earnest money caused by the failure of any financial institution in which the earnest money has been deposited unless the financial institution is acting as escrow agent.
- B. EXPENSES: At closing, the earnest money must be applied first to any cash down payment, then to Buyer's Expenses and any excess refunded to Buyer. If no closing occurs, escrow agent may: (i) require a written release of liability of the escrow agent from all parties, (ii) require payment of unpaid expenses incurred on behalf of a party, and (iii) only deduct from the earnest money the amount of unpaid expenses incurred on behalf of the party receiving the earnest money.
- C. DEMAND: Upon termination of this contract, either party or the escrow agent may send a release of earnest money to each party and the parties shall execute counterparts of the release and deliver same to the escrow agent. If either party fails to execute the release, either party may make a written demand to the escrow agent for the earnest money. If only one party makes written demand for the earnest money, escrow agent shall promptly

provide a copy of the demand to the other party. If escrow agent does not receive written objection to the demand from the other party within 15 days, escrow agent may disburse the earnest money to the party making demand reduced by the amount of unpaid expenses incurred on behalf of the party receiving the earnest money and escrow agent may pay the same to the creditors. If escrow agent complies with the provisions of this paragraph, each party hereby releases escrow agent from all adverse claims related to the disbursal of the earnest money. D. DAMAGES: Any party who wrongfully fails or refuses to sign a release acceptable to the escrow agent within 7 days of receipt of the request will be liable to the other party for (i) damages; (ii) the earnest money; (iii) reasonable attorney's fees; and (iv) all costs of suit. E. NOTICES: Escrow agent's notices will be effective when sent in compliance with Paragraph 21. Notice of objection to the demand will be deemed effective upon receipt by escrow agent.					
19. REPRESENTATIONS: All covenants, representations and warranties in this contract survive closing. If any representation of Seller in this contract is untrue on the Closing Date, Seller will be in default. Unless expressly prohibited by written agreement, Seller may continue to show the Property and receive, negotiate and accept back up offers.
